

Mensis had a great day out at Berkeley Show on Sunday 27th June 2022. Set in the shadow of the historic Berkeley Castle, the show is an annual celebration of all that is great in the Berkeley Vale. The show focused on historical, traditional and agricultural values, with competitions, displays, live music and retail stalls, the show had something for everyone. There was even a fun dog show on the day and we saw lots of dogs proudly showing off their rosettes during the afternoon.

We enjoyed talking to lots of visitors and not just about accounting! We had two classic cars on our pitch which generated lots of interest and a competition to guess the number of coffee beans in a jar!

For anyone who entered the competition, there were 8,642 beans!! We had guesses from 1,010 to 88,373 and the winning guess was 8,247 – although the 8-year-old son of one of our team guessed 8,796! We will be contacting the winner to arrange delivery of their prize.

Please contact a member of our team if you would like to discuss any of our services.
